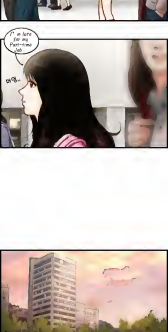
What...

Would have Jeanne thought when her drawing have become as some as Modigliani???

:웹코레어미 vol.1
Pink Lady
Season4



Wow
Time passed so fast
I'm late for my part-time job

I'm late for my part-time job

So this is not your painting???

Yes,This is not my self-portrait. This is the portrait of me drawn by the girl in that painting

Oh

.....

Then that's a pity

Um.. If you like this drawing...

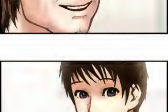
I" ll introduce the artist who drawn this painting..

Her name is "Wonee Blossom". She' s really talented!!! I" m sure she" ll be really happy when she hear your critic about her drawing!!!

MrTelson

I" m afraid to say this but this drawing doesn" t mean anything to me if you didn" t drawn it

When?



The reason why I" ve got attracted to this drawing is because I" ve felt attractment to the subject of this drawing. But if this is not a Self-Portrait and it" s just a portrait drawn by the other artist.. This change everything!!!

Well,I was planning to do a group exhibition of young artist with "Narcissism" as the theme of the exhibition. This is a pity..

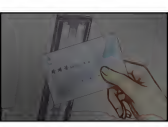
Alright

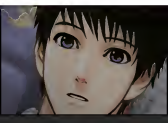
When I come back here the next time,I would really like to see your Self-Portrait full of your attractiveness

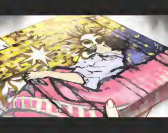
And if it" s possible..

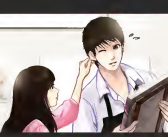
I would like something like this...

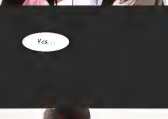
I would come back sooner or later because it" s your turn" s favor.





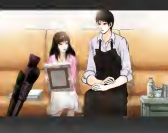




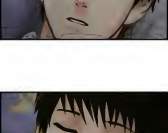


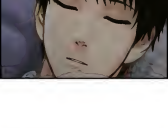
Yes...

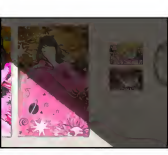
Her's and mine drawing is really similar



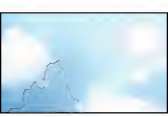
.....



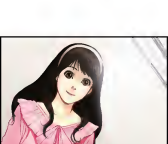




I can't sleep



Good morning, David~!!!



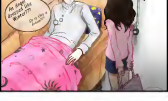
Is it my turn?

Why are you doing this???

No way! I prepared this myself!!

Hahaha~

.....



Slamb!!!

Pink Lady

Season4

Well..

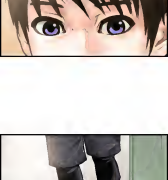
Now let's s..

See it!!!

.....

Your new painting!!!

.....



!

"They say it's a golden age for art these day. Few successful artist and architect lives in a big house or even a castle and ride a very expensive cars!!!"

Recently,The price of present art is skipping the price of modern and impressionism drawing

Now,Artist don't earn money after they are dead

There's this a stupid complaint that you can't earn enough money to live if you're an artist!!!

"At some research,A,They say artist make pretty much the same money than the other kind of Job

But there is a big error in that research! they didn't consider a double-Job artist a artist

For example,An artist who drive taxi for living was considered as a taxi driver or an artist who also work as a waiter was considered a waiter!!!

Most of the artist have another job for living because is hard to live only by drawing. That's the truth we're facing

Then what kind of drawing is expensive today??

Hmm Money making drawing How much could a drawing cost???

At London or New York auction,The most expensive present drawing record break each year That's the common point to drawings that cost million or billion of dollors!!!

What???Billion???

Recently,The most expensive drawing sold in Christie's was No15,drawn by Mark Rothko,it was sold at price of 950,0012,000!!!

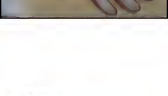
And also,Lucian Freud's a drawing "naked by cigarette stub" was sold at 520,0012,000!!!That make a record of the most expensive drawing ever bought from an alive artist!!!

.....

And in 2012,China is growing!!! Zhang Xiaogang, Chen Yifei and ect

50 million???

Stamb!!!탕



Winter.

Let' s go somewhere

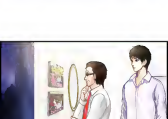
What the???

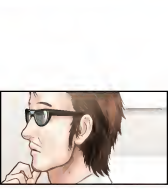
Let' s go somewhere. You and me!!!

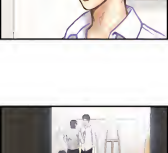
.....

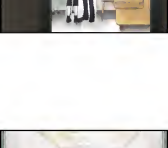
Don' t worry!!!Just tell me when can you go and I' ll prepare everything!!!

Um. I' m more worried about you



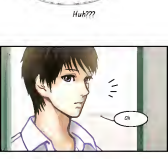






Where does he want to go with me???
Wanna stand except !!!!

Thanks to show me the drawing
I have to go back now



I'll come back sooner or later.So
Huh???

Oh

Hmmmmmmm

Isn't he the comedian

Hello
Oh!You're the lady who helped me find this place

Remember me Nate?
Ohh,Yeah.
Did she sleep in school again???
Hi.
It's not healthy to sleep hard!! Or have not sleep!!
Oh David, Do we have any time left???
Huh??? Why??
Well,Actually..
Wait.. I was forgetting something..

(My heart said that as well)

.....

Did I ever said that before?!?!

I don't know if this is alright..

You make me worry..

I don't know if it's alright my drawing is getting similar to your drawing..

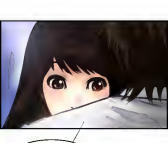
.....

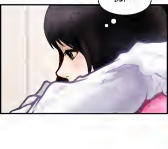
.....

..And

.....

I'm sorry to make you worry





There' s two thing that bother me.
